## *Acknowledgments*

I am extremely grateful to Dr. Bernard Fontana, whose vision for this entire project at the University of Arizona guided all of us. I also thank him for his willingness to write the foreword to this volume. I wish to express sincere gratitude to the original project directors from other universities who have been generous with their time in discussions: Dr. Edward Bruner (University of Illinois), Dr. Floyd O'Neil and Dr. Gregory Thompson (University of Utah), and Dr. Samuel Proctor (University of Florida). Additionally, Alan Ferg, archivist for the Arizona State Museum, deserves thanks for his consistently helpful discussions regarding the care of and access to Arizona's collections.
